

## M12 Field Wireable Connector Female Metal Shell Shielded

Part Number:

**M12A-12PF-AS-S001**

### Basic Information

|                     |             |
|---------------------|-------------|
| Series              | M12         |
| Connector Type      | Plug        |
| Orientation         | Straight    |
| Mounting Type       | Cable Type  |
| Fastening Type      | Threaded    |
| Shell Size          | M12         |
| Number of Positions | 12 Pin      |
| Key                 | A           |
| Contact Termination | Inner Screw |
| Contact Type        | Female      |

### Electrical Specification

|               |                |
|---------------|----------------|
| Rated Current | 1.5A, 2A, 4A   |
| Rated Voltage | 250V, 30V, 60V |

### Material Specification

|                  |              |
|------------------|--------------|
| Shell Material   | Copper Alloy |
| Shell Finish     | Zinc Plating |
| Contact Finish   | Gold         |
| Contact Material | Copper Alloy |

### Environmental Specification

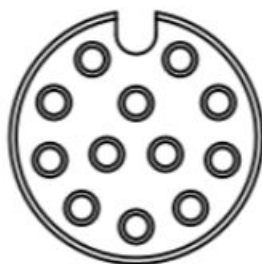

|                       |               |
|-----------------------|---------------|
| Operating Temperature | -25°C – +85°C |
| Ingress Protection    | IP67          |
